Dear Friends,

On behalf of the Board of Directors of the Yavapai Regional Medical Center (YRMC) Foundation, please accept my sincere thanks for your thoughtful donation to the Antelope Hills Women's Gold Association event. We are most grateful for your concern for the health and well-being of others, your generosity and your kindness.

Your gift has been directed to the Foundation's Breast Care Center where 100% of your donation will be applied to this important work.

In addition to expressing our thanks, this letter will serve to confirm that you did not receive any goods or services in consideration of your donation in the amount of \$9,123.93. We recommend you retain this letter for your income tax purposes.

Once again, we thank you for being such a caring spirit and a positive force in our community. We look forward to your continued friendship.

With much gratitude,
